

Swadhyaya Varga

Ideology

- Transforming our people's inherent God-wardness into the right spiritual urge rising out of the teachings of the Upanishads, namely.
- "Each soul is potentially divine"
- "Faith in God, in turn means faith in one's self i.e. in one's potentiality to rise to divine heights.
- To convert the spiritual fervour thus released into work of National reconstruction.

/>

Objectives

- Comming, thinking and working together for National Resurgence.
- Clarity of thoughts in National perspective.
- To know about our achievements and potentialities as a nation.
- Direction for National Resurgence.

When will our thirst for freedom be quenched? Only when our obsession for slavery is killed.
