

Are you among those who Swamiji had in mind for awakening our people to the mission of our Motherland?

A hundred thousand men and women, fired with the zeal of holiness, fortified with eternal faith in the Lord, and nerved to lion's courage by their sympathy for the poor and the downtrodden, will go over the length and breadth of the land, preaching the gospel of salvation, the gospel of help, the gospel of social raising-up, the gospel of equality."

Come, dedicate yourself for the service of the nation as a fulltime worker of Vivekananda Kendra, Kanyakumari ? a spiritually oriented service mission.

If you do not have any family responsibility to look after family and if your are ready to dedicate yourself full-time, then you are the ideal choice for the mission Swamiji had placed before.

It is not a career ? but a mission. Your Yogakshema would be taken care of by the Kendra.

"They alone live whose lives are in the whole universe. The more we concentrate our lives in limited things, the faster we go towards death. Those moments alone we live when our lives are in the universe, in others; and living this little life is death, simply death, and that is why the fear of death comes."
